• ORDER FORM— Nevada Foundation DataBook, 1st Ed. & CD

The Nevada Foundation DataBook, 1st Ed. & CD is an astoundingly detailed resource for researchers and grantseekers. All new research on the state's top 157 foundations, with more than $3 billion in assets and making more than $180,000,000 in grants, mostly to Nevada organizations. Every one of the 4,174 grants is listed...with location by city and state, category of the recipient grantee using 26 major categories based on the National Taxonomy of Exempt Entities (NTEE) codes, purpose of the grant and dollar amount.

- ***Indexes in the DataBook make effective research fast and easy, saving you hours of time—Sixteen (yes, 16!) indexes to help your research!***
- ***Search in any field (using the CD). Perform complex searches fast!***
- ***New SearchDog button automates complex searches with a button click!***
- ***ReportMonkey button automatically creates a formatted report for your search results...a report which is fully editable and may be pasted into your email or other document!***
- ***Copy brief or extensive information to the clipboard (email, contact info, EIN, or much more)***
- ***With the CD-ROM complement to the DataBook, you can earmark your best prospects, keep notes on any foundation, set deadlines for your specific projects, have free access to Panorama Wizards (stopwatch, calculator, calendar, contacts, task timer, etc.) and more. Installs to Windows or Macintosh computers.***
